

ADVENTURE FUELLED
LANDSCAPE PHOTOGRAPHY

ABOUT

Lloyd Evans is a Bath based photographer and content creator. As an award winning Welsh photographer living in the beautiful city of Bath UK, photography has allowed me to capture the cinematic and atmospheric throughout the world.

Influenced by my knowledge and background in lighting design for theatre, I have developed a photography style that showcases scenes using dynamic lighting. I craft a distinct look and push to my work, showcasing places in their best possible light.

The distinct look to my image have allowed me the pleasure of working with travel, accommodation and tourism brands including Unique Home Stays, Lonely Planet, Jasper Travel, Land Rover, Visit Bath, Warner Music, Indonesia Travel, Garuda Indonesia and more.
